Interior Design & Furnishing Solutions

**Established** – 2016

Umeth Interior is a full-service interior design firm that specializes in turning everyday spaces into aesthetically pleasing, practical environments. Founded in 2016 by Aruna Wasantha Bandara, a professional with over 28 years of hands-on industry experience, we offer personalized, high-quality solutions for residential, commercial, and office interiors. Whether it's a modern apartment or a corporate office, we bring our client's vision to life with creativity, precision, and care.

## Vision & Mission

### Vision

To be Sri Lanka's most trusted and innovative interior design company, delivering spaces that inspire and endure. We aim to set the benchmark for creativity, craftsmanship, and customer experience in the interior design industry. By continuously evolving with design trends and client expectations, Imeth Interior strives to create functional, elegant, and sustainable environments that enhance the lives of our clients, one space at a time.

### Mission

1. To deliver functional and innovative designs tailored to each client
2. To use quality materials and finishes that stand the test of time
3. To ensure transparency, punctuality, and value in every project

## Founder of Imeth Interior

**Founder** – Aruna Wasantha Bandara  
**Experience** – 28+ years in the interior design and furniture industry

With over 28 years of field experience, Mr. Aruna Wasantha Bandara brings vision, expertise, and dedication to every project. His deep knowledge of design, materials, and site management ensures Umeth Interior consistently exceeds client expectations. Since founding the company in 2016, he has led the team to complete over 200 successful projects across Sri Lanka.

## Our Process

At Imeth Interior, we follow a clear and collaborative process from the first consultation to the final handover. Our step-by-step approach ensures every project is handled with care, creativity, and precision, delivering results that meet your vision, budget, and timeline.
